

Little Explorers, have you been having fun making your Reading Nook? To help you decorate your Reading Nook use these 'IQRA' letters to make your own beautiful IQRA wall décor. Here's how...

### Things you need

- Buttons
- Glue & spreader
- 2, A4 cardboard sheets
- Pencil
- Scissors
- Letters to trace (print out the 'I Q R A' sheets)
- 4 wooden frames\*

\* If you don't have any wooden frames, you can make them from paper or even popsticks!

### What to do

1. Carefully cut out the letters 'I Q R A'.
2. Using your pencil, trace the letters 'I Q R A' onto the cardboard sheets.
3. Spread glue onto the letter, and then stick the buttons on. It's best to do one letter at a time.
4. Leave to dry, then hang the frames on the wall and place the buttoned letters inside. I used adhesive tape.

Have  
fun!
